

- Swimming with a companion
- No alcohol with water sports

Burns

Reinforce proper behavior in areas with burn hazards (gasoline, electric wires, and fires).

Advise against excessive exposure to natural or artificial sunlight (ultraviolet burn).

Discourage smoking.

Encourage use of sunscreen.

Poisoning

Educate in hazards of drug use, including alcohol.

Falls

Teach and encourage general safety measures in all activities.

Bodily Damage

Promote acquisition of proper instruction in sports and use of sports equipment.

Instruct in safe use of and respect for firearms and other devices with potential danger (e.g., power tools, firecrackers).

Provide and encourage use of protective equipment when using potentially hazardous devices.

Promote access to or provision of safe sports and recreational facilities.

Be alert for signs of depression (potential suicide).
