

Therapeutic relationship, [8](#), [8b-9b](#)

Thermal injury

- burns as, [398-408](#)
- in preschoolers, [398-409](#)
- sunburn as, [408-409](#)
- in toddlers, [398-409](#)

Thermal stability, [239](#)

Thermal stimulus, [190](#)

Thermogenesis (shivering), [307](#)

Thermometer

- axillary and digital, infrared, [197](#)
- temporal artery, [197](#)
- types of, [82](#), [85b](#)

Thermoregulation, [42](#)

- in infant, [307](#)
- in neonates, [191](#)
 - axillary temperature, [196-197](#), [196f](#)
 - high-risk, [239](#), [239f](#)
 - maintenance of, [210](#)
- for unconscious child, [881](#)

Thimerosal, [157](#)

Thimerosal-containing vaccines, and autism spectrum disorders, [548b-549b](#)

Third spacing, of body fluids, [689](#)

Thomas splint, [955](#)

Thoracic cavity, [99](#)

Thoracolumbosacral orthosis (TLSO), [968-969](#), [969f](#)

Thoracotomy, for tracheoesophageal fistula, [726](#)
